GRADUATES - 2024

As we close out the 2nd quarter of the year, I think we can say that things are moving in a positive direction as we have been engaged in ministry and activities for the past three months. We were blessed to celebrate our 107th church anniversary, which is a testament to the fact that God is faithful. Our forefathers saw a community need, moved in faith, and here we are 107

I am still blessed by the Pastor Tyrone Alston and Church family and Pastor Keisha D. Bluford and the Grace Outreach Ministry Family. It was such a blessing to be able to fellowship with those in our community once again. It is events like the revival and the celebration for our graduates (four from college and 5 from high school) that continue to inspire and strengthen us with a resolve to continue to push through obstacles and challenges, knowing that God goes before us. As we prepare to move into our bright future, may God bless us to continue the rich legacy that is Miles Chapel Baptist Church.

BOWLERS - WOMEN'S MINISTRY

The two night Revival held on May fifteenth and sixteenth was amazing! Fellowshiping with our neighbors, Kimes Chapel and Grace Outreach Ministry, was wonderful! Reverend Tyrone Alston and Reverend Keisha Bluford brought a wonderful message and the singing was off the chart! An event to remember.

All this led to a Homecoming and 107th Anniversary Service, that was graced with a wonderful meal afterwards.

On the second Sunday in May, we celebrated Mother's Day! The women were gifted with a purse sized manicure set that was appreciated by all.

On Father's Day, the men were gifted with a cap with a saying to suit the occasion.

Every member of Miles Chapel is appreciated, we pray that everyone was reached with a token gift of appreciation in the second quarter of 2024.

YOU ARE LOVED AND APPRECIATED!
